

## Lincolnshire Beekeepers' Association – Market Rasen District

### Membership Report for the Annual General Meeting 5<sup>th</sup> January 2023

Renewal costs were increased slightly by the BBKA for 2022 but for most members this was offset by a corresponding decrease in the County subscription. BDI costs had not increased for 2022 renewals and because of the impact of Covid, our District continued to waive the District Fee for a further year. In keeping with BBKA terminology, I will adopt their convention and refer to Associate Members, as Local Members in future.

Table shows how your subscription is divided between various bodies. No *extra* BDI costs are shown.

#### Membership breakdown costs for 2022
